MSO LOVES BEES AND BEES LOVE MSO...

Our farmers are keenly aware of the vital importance pollinators play in the propagation and yield of our crops. We strive to follow the most bee-friendly and sustainable practices throughout our growing environment.

- 10** EARLY SEASON FOOD SOURCE
- 11** LONG-STANDING RELATIONSHIPS W/ BEEKEEPERS
- 12** WE CARE ABOUT BEE HEALTH
- 13** RESEARCH INVOLVEMENT
- 14** One acre of meadowfoam produces **120 MILLION BLOOMS** providing enough nectar for **100,000 HONEY BEES**

AS A CROP...

Our cooperative is composed of numerous multi-generational Oregon farms that are mindful stewards of the Willamette Valley's precious, agriculturally-rich soils and unique environment where our meadowfoam is grown.

- 15** GROWN ON LOCAL FAMILY FARMS
- 16** SOIL-FRIENDLY AND SUSTAINABLE
- 17** WATER-WISE
- 18** TRANSPARENT SUPPLY CHAIN
- 19** STABLE SUPPLY AND PRICE

- 20** At harvest, one acre will yield **950 LBS OF SEED** which will be processed into **250 LBS OF OIL**
