

NATURAL BOTANICALS BEARD OIL

Beard oils offer a double bonus of taming and conditioning beard hair while also hydrating the skin. Ours includes three emollients: **Meadowfoam Seed Oil XPR** to give your beard shine and keep it soft without being greasy, **Daikon Seed Extract** for beard shine and a light and silky feel and popular Argan Oil. We added a woody, cedar fragrance to this formulation for a pleasant but not overpowering scent.

Another benefit to this formulation is that the **Meadowfoam Seed Oil XPR** also offers superior oxidative stability, which, when blended, can extend the shelf life of Argan Oil by up to 37%. (See complete OSI Study Results at: meadowfoam.com/mso-xpr)
