

NATURAL BOTANICALS HAIR FINISHING ELIXIR

This highly versatile hair serum incorporates hair strengthening and replenishing principles of traditional J-Beauty hair care along with antipollution benefits of moisturization and hydration. **Daikon Seed Extract** adds strength, shine and non-greasy emollience while **Meadowfoam Seed Oil** adds richness, with moisturizing conditioning. Tsubaki oil, a staple in J-Beauty hair regimens, smooths and protects and Kakadu Plum extract helps maintain collagen and elastin levels.

Usage options include: a finishing serum to lock in shine/block humidity; a pre-cleanser to remove impurities BEFORE shampooing; added protection for pre-blow treatment; a finishing product to control frizz, smooth and style and a touch up for a touch of shine as needed.
