

# NATURAL BOTANICALS HYDRATING TREATMENT FACE MASK

Following the popular face mask trend, this luxurious treatment was designed to repair, protect and renew tired skin. **Meadowfoam Seed Oil** absorbs quickly and provides rapid, rich emollience. **Daikon Seed Extract** gives it comfortable slip and provides a light, non-greasiness. Aurafirm contains natural actives, aiding in improving skin health and helps boost cell turnover. Sodium Hyaluronate provides deep water-binding moisturization, while Lecigel provides a soothing cooling sensation augmented by a subtly refreshing cucumber fragrance. Just the pick-up tired skin needs to feel refreshed and restored!
