

NATURAL BOTANICALS FACE SERUM

Part of our multi-step **K-Beauty facial regimen**, this delightful face serum uses **Meadowfoam CP** which provides higher levels of tocopherols and phytosterols than fully refined grades of vegetable oil. **Meadowfoam Seed Oil** is blended with **Marula, Argan and Rosehip** to increase the OSI of these popular oils. **Daikon Seed Extract** provides a light, smooth non-greasy feel after rub-in. The serum functions well as primer under liquid foundation. Botanically-based preservatives include **honeysuckle extract and honeysuckle flower extract**.
