

SUN SHIELD STICK WITH ZINC OXIDE

A long-lasting, easy-to-apply, non-greasy formulation in a handy stick format. No white residue from zinc oxide, either! **Meadowfoam Seed Oil** adds non-greasy nourishing hydration and oxidative stability (key for warm weather situations!) and **Daikon Seed Extract** gives a powdery feel while providing a nice glide for easy application. Other ingredients include a high transparency non-whitening zinc oxide dispersion, and a long-lasting film-forming agent.

Ingredient INCI NAME	Trade Name	%
Phase A		
Limnanthes Alba (Meadowfoam) Seed Oil	Meadowfoam Seed Oil or Meadowfoam XPR ¹	6.00
Raphanus Sativus (Radish) Seed Extract	Daikon Seed Extract ¹	16.00
Zinc Oxide (and) Caprylic/Capric Triglyceride (and) Polyhydroxys-tearic Acid (and) Polyglyceryl-3 Polyricinoleate (and) Isostearic Acid (and) Lecithin	G-Block™ DZ 370 CCT ²	29.00
