

THIRSTY SKIN QUENCHER STICK

No fewer than 8 natural emollients grace this luscious, easy-to-formulate, and versatile formulation.

Meadowfoam Seed Oil adds non-greasy nourishing hydration and increases the oxidative stability of less stable emollients like avocado oil and shea butter. **Daikon Seed Extract** gives a silky feel while providing a nice glide for easy application. In addition, an unusual blend of waxes provides long-lasting moisturization for thirsty skin.
