

Product Data Sheet: Meadowfoam CP

Meadowfoam CP is the virgin triglyceride oil contained within the seeds of *Limnanthes alba* (meadowfoam). Processed at extremely low temperatures and clarified using only filtration, the oil maintains a profile enriched in delicate active materials such as tocopherols, and other well-known antioxidants like phytosterols. Deep red-orange in hue and possessing a pleasing earthy scent, Meadowfoam CP is recommended for skin care and sun care products demanding the utmost performance from a natural emollient.

Typical Properties

Appearance:	Clear
Color:	Red Orange
Odor:	Earthy
Category:	Emollient

Product Highlights and Applications

- » Extraordinary oxidative stability
- » Can be used to stabilize other natural oils
- » Rich in natural actives
- » Cold pressed
