

DAIKON STRENGTH & SHINE HAIR FINISHING SPRITZ

This hair spritz features a blend of unique natural emollients that both strengthen hair and add a non-oily shine. **Daikon Seed Extract** has been shown to help reduce breakage and improve shine while imparting a silky-smooth slip. **Meadowfoam Seed Oil XPR** adds deep moisturization with a rich texture. Sustainable D5 replacement Neossance Hemisqualane increases spread(spray)ability thanks to a low friction coefficient.
