

BEYOND BASIC BODY BUTTER BAR

Go beyond basic body butter with this moisturizing serum bar that repairs and protects skin. Natural, multi-functional ingredients improve skin barrier function and prevent drying while imparting a velvety texture. The solid format melts on contact and requires minimal packaging. **Daikon Seed Extract** improves skin barrier function and adds a silky, silicone-like feel. **Meadowfoam Seed Oil XPR** offers superior oxidative stability and a rich, velvety texture. The formulation helps lock-in moisture thanks to Murumuru Butter's humectant and moisture binding properties.
