

## SKIN BARRIER RESCUE STICK

Help maintain a well-functioning skin barrier with this multi-functional serum stick full of natural ingredients that brighten and moisturize the skin. **Daikon Seed Extract** adds a silky, silicone-like feel and improves skin barrier function. **Meadowfoam Seed Oil XPR** brings a velvety texture, reduces trans-epidermal water loss (TEWL), and greatly improves the formulation's oxidative stability. Indian Sandalwood protects against harmful blue light and reduces pigmentation, helps repair collagen damage, and fights inflammation while adding a light fragrance that calms and provides focus. Korean Citron Oil, an upcycled ingredient made from the byproduct of food production, contains vitamin C which brightens dull and uneven skin, replenishes dry skin, and helps protect against environmental stressors.
