

SUN-KISSED SHIMMER DROPS

Achieve a healthy, pinkish-bronze shimmer year-round, without the harmful UV rays. This oil-based formulation is waterless, vegan, and all natural. The light and silky skin feel comes from **Daikon Seed Extract**, while **Meadowfoam Seed Oil XPR** adds a rich, velvety texture and greatly increases the formulation's oxidative stability. Three mica pigments are combined for a perfect rose-gold shimmer, reflecting and refracting light for a luminous daytime glow, or it can be layered for a more dramatic evening effect.
